

FLEET MECHANIC

Gardena Ca.

Job description

Mutual Propane is seeking for an experienced fleet mechanic. We have a friendly, family oriented work environment and we offer excellent benefits and wages. Matching 401(k), health, dental, and vision insurance, and paid vacations. The position will require some local travel to our regional locations in Tustin, Corona, and Temecula. The position is based at our home office in Gardena.

The responsibilities of this position include:

- Performance of routine automotive maintenance tasks, including oil changes, tire rotations, transmission maintenance, battery maintenance, brakes, water pump, alternator and headlight/taillight repairs, tune ups, and other routine repairs and maintenance on our fleet of cars and trucks. You should have a working knowledge of current industry best practices in automotive repair.
- Conduct diagnostic procedures to determine the sources of vehicle problems and provide accurate repair recommendations. Knowledge of diagnostic tools and equipment is a must. Inspect vehicles according to the state's requirements for emissions and safety.
- Conduct 90 day BIT inspections on medium duty trucks. Experience with airbrake systems a plus but will train if necessary.
- Conduct necessary repairs and take vehicles for test drives. A CDL with Haz-mat and tanker endorsement is needed to drive our placarded trucks. Applicant without a CDL must have the ability to obtain one within 6 months of hire. Company is willing to train and assist eligible candidate to obtain a CDL.
- Maintain legible and accurate paperwork for both the customer and for our records. You will be expected to clean and maintain the work environment to ensure equipment longevity and workplace safety.
- Ability to operate all auto repair tools with knowledge of PPE. Personal tools required.

High school diploma/GED required. ASE certification a plus. We would like a minimum of 5 years vehicle technician experience. Experience with propane powered engines helpful but not required. Willingness to participate in in-house training.

Work regularly scheduled hours 8:00 AM to 4:30 PM, plus flexibility to be on-call for break-downs after hours and weekends.
